

ST CATHERINES FLOWER ARRANGEMENT CLUB

In 2010 St Catherines celebrated its golden anniversary with a number of special events. Meetings continue to be held at Shalford Village Hall on the fourth Thursday in the month between 1.45 pm and 4 pm. Staging time for competition entries is from 1.15 pm. Members are encouraged to take part in our monthly competitions as an ideal way of improving their skills.

Our venue is bright and modern and we can guarantee a warm welcome to all. We aim to provide a varied programme each month, using area and national demonstrators with a range of styles. In addition we can offer a number of extra events over the year including workshops, a summer outing and other social get-togethers.

Why not pay us a visit and enjoy a relaxing afternoon in congenial surroundings with beautiful blooms to inspire you!
